

ERP

ENTERPRISE RESOURCE PLANNING (ERP)

Department of Horticulture and Plantation Crops will be among the first few e-offices in the Government of Tamil Nadu with the introduction of a paperless office ERP (Enterprise Resource Planning). This will enable all file work to be done online, making it an “anytime – anywhere” office. The license cost for this ERP is **Rs. 7.00 Lakhs**. For running this ERP, two numbers of Rack Servers have been purchased and housed at Commissionerate of Horticulture. The cost of these servers is **Rs. 10.00 Lakhs**. A sum of **Rs. 17.00 Lakhs** has been spent for this purpose.
