

## **PETRO CARD – THE EASY WAY TO SPEED UP OUR LOGISTICS**

“Petro Card – as the name indicates is the smart way to purchase petroleum products (Diesel, Petrol and other Lubricants) through Indian Oil retail outlets. This magnetic card to effect credit purchases of petroleum products is being used for six vehicles of the Department of Horticulture and Plantation Crops, TANHODA and TANHOPE. The Petro Card allows our drivers the freedom they need to get their jobs done provided the management has the total control of their expenditure. It also helps in streamlining all the management and reporting requirements with transparency in meeting out the expenditure for fuel.

### **Additional Benefits:**

1. Detailed financial reporting every month on amount of fuel consumed, mileage etc
2. Interest free credit facilities up to 30 days
3. Monthly monitoring of vehicle fuel performance.
4. Improved control over expenditures
5. Tells where and when the vehicles fuel
