

## **Accessibility Statement**

Micro Irrigation Management Information System (MMIS) Portal is accessible to all users irrespective of device in use, technology or ability. It has been built, with an aim, to provide maximum accessibility and usability to its visitors. We have put in our best efforts to ensure that all information on this Portal is accessible to people with disabilities. For example, a user with visual disability can access this Portal using assistive technologies, such as screen readers and magnifiers. We also aim to be standards compliant and follow principles of usability and universal design, which should help all visitors of this Portal.

Part of the information in the Portal is also made available through links to external Web sites. External Web sites are maintained by the respective departments who are responsible for making these sites accessible.
